Principal and interest shall be paid in 21 installments as indicated below, except as modified by a different rate of interest, on or before the following dates:

\$ <u>9,915.00</u>	on <u>01-01-99</u>	;	\$ <u>35,985.00</u>	on <u>01-01-00</u>	;

The consideration for this note shall also support any agreement modifying the foregoing schedule of payments.

If the total amount of the loan is not advanced at the time of loan closing, the loan funds shall be advanced to the Borrower as requested by Borrower and approved by the Government. Approval by the Government will be given provided the advance is requested for a purpose authorized by the Government. Interest shall accrue on the amount of each advance from its actual date as shown in the Record of Advances at the end of this note. Borrower authorizes the Government to enter the amount(s) and date(s) of such advance(s) in the Record of Advances.

For each rescheduled, reamortized or consolidated note for applications for Primary and Preservation Loan Service Programs received prior to November 28, 1990, interest accrued to the date of this instrument which is more than 90 days overdue shall be added to principal and such new principal shall accrue interest at the rate evidenced by this instrument. For applications for Primary and Preservation Loan Service Programs received on or after November 28, 1990, all unpaid interest accrued to the date of this instrument shall be added to the principal and such new principal shall accrue interest at the rate evidenced by this instrument.

Every payment made on any indebtedness evidenced by this note shall be applied first to a portion of any interest which accrues during the deferral period, second to accrued interest to the date of the payment on the note account and then to the principal. Nonprogram loans are not eligible for deferral.

Prepayments of scheduled installments, or any portion of these installments, may be made at any time at the option of the Borrower. Refunds and extra payments, as defined in the regulations (7 CFR §1951.8) of the Farmers Home Administration according to the source of funds involved, shall, after payment of interest, be applied to the last installments to become due under this note and shall not affect the obligation of Borrower to pay the remaining installments as scheduled in this note.

If the Government at any time assigns this note and insures the payment of it, Borrower shall continue to make payments to the Government as collection agent for the holder. While this note is held by an insured holder, prepayments made by Borrower may, at the option of the Government, be remitted by the Government to the holder promptly or, except for final payment, be retained by the Government and remitted to the holder on an installment due date basis. The effective date of every payment made by Borrower, except payments retained and remitted by the Government on an installment due date basis, shall be the date of the United States Treasury check by which the Government remits the payment to the holder. The effective date of any prepayment retained and remitted by the Government to the holder on an installment due date basis shall be the date of the prepayment by Borrower, and the Government will pay the interest to which the holder is entitled accruing between such date and the date of the Treasury check to the holder.

Any amount advanced or expended by the Government for the collection of this note or to preserve or protect any security for the loan or otherwise expended under the terms of any security agreement or other instrument executed in connection with the loan evidenced by this note, at the option of the Government shall become a part of and bear interest at the same rate as the principal of the debt evidenced by this note and be immediately due and payable by Borrower to the Government without demand.

Property constructed, improved, purchased, or refinanced in whole or in part with the loan evidenced by this note shall not be leased, assigned, sold, transferred, or encumbered, voluntarily or otherwise, without the written consent of the Government. 	\$	7%	, 19		, 19
	\$	7%	, 19		, 19

Security instruments taken in connection with the loans evidenced by these described notes and other related obligations are not affected by this consolidating, rescheduling or reamortizing. These security instruments shall continue to remain in effect and the security given for the loans evidenced by the described notes shall continue to remain as security for the loan evidenced by this note, and for any other related obligations.

REFINANCING (GRADUATION) AGREEMENT: If at any time it shall appear to the Government that the Borrower may be able to obtain financing from a responsible cooperative or private credit source at reasonable rates and terms for loans for similar purposes and periods of time, Borrower will, at the Government's request, apply for and accept a loan(s) in sufficient amount to pay this note in full and, if the lender is a cooperative, to pay for any necessary stock. The provisions of this paragraph do not apply if the loan represented by this promissory note was made to the Borrower as a non-program loan.

HIGHLY ERODIBLE LAND AND WETLAND CONSERVATION AGREEMENT: Borrower recognizes that the loan described in this note will be in default should any loan proceeds be used for a purpose that will contribute to excessive erosion of highly erodible land or to the conversion of wetlands to produce an agricultural commodity as further explained in 7 CFR Part 1940, Subpart G, Exhibit M. If (1) the term of the loan exceeds January 1, 1990, but not January 1, 1995, and (2) Borrower intends to produce an agricultural commodity on highly erodible land that is exempt from the restrictions of Exhibit M until either January 1, 1990, or two years after the Soil Conservation Service (SCS) has completed a soil survey for the Borrower's land, whichever is later, the Borrower further agrees that, prior to the loss of the exemption from the highly erodible land conservation restrictions found in 7 CFR Part 12, Borrower must demonstrate that Borrower is actively applying on that land which has been determined to be highly erodible, a conservation plan approved by the SCS or the appropriate conservation district in accordance with SCS's requirements. Furthermore, if the term of the loan exceeds January 1, 1995, Borrower further agrees that Borrower must demonstrate prior to January 1, 1995, that any production of an agricultural commodity on highly erodible land after that date will be done in compliance with a conservation system approved by SCS or the appropriate conservation district in accordance with SCS's requirements.

DEFAULT: Failure to pay when due any debt evidenced by this note or perform any covenant of agreement under this note shall constitute default under this and any other instrument evidencing a debt of Borrower owing to, insured or Guaranteed by the Government or securing or otherwise relating to such debt; and default under any such other instrument shall constitute default under this note. **UPON ANY SUCH DEFAULT**, the Government at its option may declare all or any part of any such indebtedness immediately due and payable.

This Note is given as evidence of a loan to Borrower made or insured by the Government pursuant to the Consolidated Farm and Rural Development Act, or the Emergency Agricultural Credit Adjustment Act of 1978 and for the type of loan as indicated in the "Kind of Loan" block above. This Note shall be subject to the present regulations of the Farmers Home Administration and to its future regulations not inconsistent with the express provisions of this note.

Presentment, protest, and notice are waived.

Federal Attachments, Commonwealth of Puerto Rico Tax Liens, Judgments and Daily Log up to November 5th, 2020.

NOTICE: The Sections of the Property Registry have been computerized by the new system identified as Karibe, through which the historical volumes containing the data related to the inscribed farms and with the documents presented and pending registration were digitized. Since April 25, 2016, the Department of Justice discontinued the Tool-Kit and Agora System in most of the Sections of the Registry, which was used to search for documents submitted and pending registration and preparation of degree studies and other documents. There is also a delay in the entry of information to the System to this date. In addition to this, the Federal and State Seizures are now entered and electronically provided by the Central Office of the Land Registry in the Department of Justice, without being able to corroborate the control books and with many errors which makes the location impossible. We are not responsible for errors that may result in this study due to errors and/or omissions of the Registry and/or its employees, when entering the data in the system.

NOTICE: The Sections of the Property Registry have been computerized by the new system identified as Karibe, through which the historical volumes containing the data related to the inscribed farms and with the documents presented and pending registration were digitized. Since April 25, 2016, the Department of Justice discontinued the Tool-Kit and Agora System in most of the Sections of the Registry, which was used to search for documents submitted and pending registration and preparation of degree studies and other documents. There is also a delay in the entry of information to the System to this date. In addition to this, the Federal and State Seizures are now entered and electronically provided by the Central Office of the Land Registry in the Department of Justice, without being able to corroborate the control books and with many errors which makes the location impossible. We are not responsible for errors that may result in this study due to errors and/or omissions of the Registry and/or its employees, when entering the data in the system.

Upon searching the data banks of the Department of Defense Manpower Data Center, based on the information that you provided, the above is the status of the individual on the active duty status date as to all branches of the Uniformed Services (Army, Navy, Marine Corps, Air Force, NOAA, Public Health, and Coast Guard). This status includes information on a Servicemember or his/her unit receiving notification of future orders to report for Active Duty.

Michael V. Sorrento, Director
 Department of Defense - Manpower Data Center
 400 Gigling Rd.
 Seaside, CA 93955

The Defense Manpower Data Center (DMDC) is an organization of the Department of Defense (DoD) that maintains the Defense Enrollment and Eligibility Reporting System (DEERS) database which is the official source of data on eligibility for military medical care and other eligibility systems.

The DoD strongly supports the enforcement of the Servicemembers Civil Relief Act (50 USC App. § 3901 et seq, as amended) (SCRA) (formerly known as the Soldiers' and Sailors' Civil Relief Act of 1940). DMDC has issued hundreds of thousands of "does not possess any information indicating that the individual is currently on active duty" responses, and has experienced only a small error rate. In the event the individual referenced above, or any family member, friend, or representative asserts in any manner that the individual was on active duty for the active duty status date, or is otherwise entitled to the protections of the SCRA, you are strongly encouraged to obtain further verification of the person's status by contacting that person's Service. Service contact information can be found on the SCRA website's FAQ page (Q35) via this URL: <https://scra.dmdc.osd.mil/scra/#/faqs>. If you have evidence the person was on active duty for the active duty status date and you fail to obtain this additional Service verification, punitive provisions of the SCRA may be invoked against you. See 50 USC App. § 3921(c).

This response reflects the following information: (1) The individual's Active Duty status on the Active Duty Status Date (2) Whether the individual left Active Duty status within 367 days preceding the Active Duty Status Date (3) Whether the individual or his/her unit received early notification to report for active duty on the Active Duty Status Date.

More information on "Active Duty Status"

Active duty status as reported in this certificate is defined in accordance with 10 USC § 101(d) (1). Prior to 2010 only some of the active duty periods less than 30 consecutive days in length were available. In the case of a member of the National Guard, this includes service under a call to active service authorized by the President or the Secretary of Defense under 32 USC § 502(f) for purposes of responding to a national emergency declared by the President and supported by Federal funds. All Active Guard Reserve (AGR) members must be assigned against an authorized mobilization position in the unit they support. This includes Navy Training and Administration of the Reserves (TARs), Marine Corps Active Reserve (ARs) and Coast Guard Reserve Program Administrator (RPAs). Active Duty status also applies to a Uniformed Service member who is an active duty commissioned officer of the U.S. Public Health Service or the National Oceanic and Atmospheric Administration (NOAA Commissioned Corps).

Coverage Under the SCRA is Broader in Some Cases

Coverage under the SCRA is broader in some cases and includes some categories of persons on active duty for purposes of the SCRA who would not be reported as on Active Duty under this certificate. SCRA protections are for Title 10 and Title 14 active duty records for all the Uniformed Services periods. Title 32 periods of Active Duty are not covered by SCRA, as defined in accordance with 10 USC § 101(d)(1).

Many times orders are amended to extend the period of active duty, which would extend SCRA protections. Persons seeking to rely on this website certification should check to make sure the orders on which SCRA protections are based have not been amended to extend the inclusive dates of service. Furthermore, some protections of the SCRA may extend to persons who have received orders to report for active duty or to be inducted, but who have not actually begun active duty or actually reported for induction. The Last Date on Active Duty entry is important because a number of protections of the SCRA extend beyond the last dates of active duty.

Those who could rely on this certificate are urged to seek qualified legal counsel to ensure that all rights guaranteed to Service members under the SCRA are protected

WARNING: This certificate was provided based on a last name, SSN/date of birth, and active duty status date provided by the requester. Providing erroneous information will cause an erroneous certificate to be provided.
